

Good evening all. Just wanted to get out some info heading into XC Sectional weekend.

1. Please note that the South Sectional will post live results [HERE](#). Central results will be posted live [HERE](#)

2. At the south sectional there will be a prize raffle. Each group will see one boys coach and one girls coach receive a gift bag (chosen at random). The bag contains a tech shirt, water bottle, portable phone charger and \$10 WAWA gift card. The winners will be sent out and posted at TomahawkTiming.com

3. The All SJ Team will also be selected on 11/19/2020 (info on the [SJTCA Website](#)). Please note that this is for athletes from the following counties ONLY (Cape May, Atlantic, Cumberland, Salem, Camden, Gloucester and Burlington)

4. We are also having our annual food drive. This year is more important than ever. Please bring your non-perishable items to the meet and drop them off at the [Running Companies of South Jersey](#) van on your way in. Please note that we will have prizes for the largest donation. Special thanks to Bishop Eustace for getting this drive off on the right foot at the annual Bob Kiessling Inivte.

Most importantly. Please stay safe and safe travels as you head to and fro this weekend. You have all gone above and beyond for these student/athletes and you are to be commended.

See you all for some great racing on Saturday!!
